Re: Addendum 7.0 – Graduation Requirements

Section: Certificate of Completion – Emergency Medical Technician Basic

Sub-section: Graduation Requirements (Replaces current)

A Certificate of Completion is presented to students who have complied with the conditions noted previously and successfully facilitated the following:

1. Attended required class, lab, ride, clinical, and externship hours
2. Passed all requirements noted in program outline
3. Complete all SOAP requirements
4. Complete all MyBRADYLab requirements
5. Fulfilled all monetary obligations to the Coral Springs Regional Institute of Public Safety
6. Pass the final written & practical exam with a 75% or better
7. Maintain a minimum grade average of 80% (B).

Students who receive an EMT-B Certificate of Completion from the Coral Springs Regional Institute of Public Safety will be eligible to take the following exams:

- National Registry of Emergency Medical Technician (NREMT)
- State of Florida Emergency Medical Technician exam for State certification

Successful completion of one of these exams/tests allows the student to practice as a certified EMT-B in the State of Florida, as outlined by State of Florida Bureau of Emergency Medical Services.

Students wishing to practice in another state must comply with that state's regulatory policy.
