For Returning Students: If you've attended Broward College in the past, go to **Apply Now, Returning Students, Readmission Application** to complete the readmission application by entering your student ID or social security number in the ID Field and your PIN is automatically setup to the month and year of your birthdate (MMYYYY).

Florida Residency: To ensure you receive in-state tuition, you will need to provide us with two proofs of Florida residency. If you're under the age of 24, we're going to need the Florida residency documents from your legal guardian or you can claim yourself as independent. For a list of the documents that we accept as proof of Florida residency as well as dependence requirements, please [click here](#).
