

Online Application Process

For the Firefighter I & II, EMT-Basic, and EMT-Paramedic programs, there is a defined registration term outlining the registration dates, transfer/drop dates, and late registration date. Please refer to the csrips.org website for these dates.

The Online Application will be used for the Firefighter I & II, EMT-Basic, and EMT-Paramedic programs. Please read through this to help ensure your successful application.

- ALL students MUST utilize the online application link within the program in order to apply. Applications will not be approved any other way. The links are specific to the program in which you are applying for.
- All fields labeled as required are required in order to submit the application. Any required fields left blank will prevent the application from being submitted.
- Be sure you are uploading current, valid documents. **If any of the information is invalid, you will jeopardize your application being approved.**
- All names must be your legal names. If you do not have a middle name, please enter None.
- If you do not have a Driver's License or a passport, please provide a copy of your birth certificate in the Birth Certificate field.
- You must make your application fee payment. If no payment is made, your application will be set to Pending and will not be reviewed for approval.
- If you submit without making the payment, you will need to go to your MyCSRIPS student portal and make the payment (see Payment Instructions below).

LATE REGISTRATION INSTRUCTIONS:

- Applicants are required to complete the entire application.
- Applicants are required to pay the application fee.
- Applicants must log into their student portal and make the tuition payment immediately following the completion of the application (see Payment Instructions below).

PAYMENT INSTRUCTIONS:

If you need to make a payment, please login to the MyCSRIPS portal with the username and password provided (you received an email titled Your MyCSRIPS Application Information with these details). Once logged into your MyCSRIPS account, you will find the Finance tab on the left. Select Payment & Invoice and you will be presented with all of your invoices for each class you may have applied for or previously completed. Please choose the class you have applied for to make the payment.
